PARTNER WITH US
SAVE MORE LIVES

Why we need your support:

Our 700+ volunteer community first responders give their time for free; and they're often the first to reach you in a 999 emergency. Professionally trained and ready when it matters most.

How you can get involved:

Taxi Firms

Offer an optional **£1 donation per ride** to support local responders, an easy way to back lifesaving work.

Bars & Restaurants

Add a mocktail to your menu and **donate £2 from each sale,** a simple way to support your community.
